

HOW SALUD CARBAJAL & HOUSE DEMOCRATS ARE LOWERING HEALTH CARE COSTS

Rep. Carbajal helped pass multiple new laws last term to **lower health care costs** and ensure all American families have access to affordable quality health care.

Thanks to the Inflation Reduction Act and American Rescue Plan, **4 out of 5 Americans could find a plan for less than \$10 per month!**

SAVINGS ON THE CENTRAL COAST:

Thanks to these laws, the average Central Coast enrollee in Covered California will save \$1,150 in premiums this year

A 35-year-old single parent and child with a household income of \$30,000 will **save \$1,272** in premiums this year, avoiding a 757% cost increase

A 60-year old couple with a household income of \$80,000 will **save \$25,786** in premiums this year, avoiding a 457% increase

A family with two 40-year-old adults and two children with a household income of \$75,000 will **save \$3,096** in premiums this year, avoiding a 457% cost increase

8%

current uninsured rate in the U.S. - **the lowest in recorded history**, including **41,000** enrolled in Covered CA plans on the Central Coast.

Since 2021, **6 million** people nationwide have signed up for a new ACA plan thanks to laws passed by Rep. Carbajal and House Democrats!
